MILNER MEMORIAL SCHOLARSHIPS AT THE KING'S SCHOOL, CANTERBURY.

I am directed to forward for the information of the Government of India and such action as they may consider desirable a copy of a letter from the Colonial Office dated the 16th October together with its enclosures regarding the foundation of Milner Memorial Scholarships at the King's School, Canterbury.

Letter No. 50873—1928, dated the 16th October 1928, from Mr. R. V. Vernon, Colonial Office to the Under Secretary of State, India Office.

I am directed by Mr. Secretary Amery to request you to inform Lord Birkenhead that he has received from the Head Master of the King's School, Canterbury, a memorandum of which copies are attached, in regard to the foundation at the School of Milner Memorial Scholarships with a request that the Government of the Overseas Territories concerned should be asked to give such publicity as is possible to the scholarship scheme and the conditions of candidature. A circular despatch in the terms of the draft enclosed is accordingly being addressed to the Governors of the Colonies, etc., and I am to suggest that if Lord Birkenhead sees no objection, copies of the Headmaster's memorandum may be communicated to the Government of India with the request that they should give such publicity to the matter as might seem desirable.

CIRCULAR.

Downing Street,
October 1928.

SIR,

I have the honour to transmit to you a copy of a memorandum which I have received from the Head Master of the King's School, Canterbury setting out details of the scholarship scheme which has been arranged at the school as a memorial to the late Viscount Milner, and I should be glad if you would take such steps as are necessary to bring the scholarships to public notice locally.

In the great majority of the oversea Territories concerned it seems probable that candidates for the scholarships would be undergoing education in this country and in these cases the need of arrangements for a local examination overseas would not arise; but in order to ensure facilities being made available for any prospective candidates who may be received their education overseas, I have agreed to suggest that arrangements may be made with the local education authority to conduct the necessary written examination and transmit the papers to Canterbury as soon as possible thereafter.
